About Us

Petrona Company is an emerging supplier of high quality building materials, serving the construction industry across the Middle East.

Founded in 2025, Petrona Company specializes in high quality ceramic and porcelain wall and floor tiles.

The company is committed to delivering premium products that meet the highest international standards, ensuring durability, elegance, and sustainability in every project.

Our designs, inspired by the natural beauty of stones, woods, sands, and other elements, offer timeless style and reflect our dedication to sustainability.

Our mission is to deliver premium building products to contractors, developers, architects, and construction firms, providing the highest level of customer service and satisfaction.

We focus on maintaining strong relationships with global manufacturers and local suppliers, offering a diverse range of materials that meet international quality standards.
